

## Kalymnos 2010: Updated new routes list

Compiled by Aris Theodoropoulos, March 2010.

climb kalymnos

Note: Some of the new routes need further traffic to clean them or to confirm grade and stars.

Our goal is to provide accurate, unbiased and up-to-date information on Kalymnos. In this venture, your feedback is very important to us – so feel free to email us and tell us what you think (or just say hi).
