GOOD TO KNOW:

- Kos–Kalymnos ferries run year-round. There are between 5-10 crossings per day, every day, depending on season. The ferries stop running only in the rare case of very severe winds.
- There are two types of ferry: a fast ferry (25 min; anekalymnou.gr) and a slow ferry (50 min; anemferries.gr). The slow ferry also takes cars. The timetable above includes both slow & fast ferries.
- The last ferry out of Kos always tries to accommodate passengers arriving on the last flights of the day into Kos. If your flight is delayed, the ferry company asks that you notify them by contacting Mr Vavoulas. Call: +30 697 464 8255.
- We are not affiliated in any way with the ferry companies and we have no control over their frequent timetable changes. We try our best to stay up-to-date with the timetables, but it isn't always possible to keep up. Sorry!
- Ferry timetables change often. Always check the ferry websites before you travel: anekalymnou.gr and anemferries.gr
