GOOD TO KNOW (please read!):

- Kos–Kalymnos ferries run year-round. There are between 5-10 crossings every day, depending on season. The ferries stop only in the rare case of very severe winds.

- There are two ferries: a fast ferry and a slow ferry (which also takes cars). The timetable above includes both.

- The last ferry out of Kos tries to accommodate passengers arriving on the last flights of the day into Kos.

- We are not affiliated in any way with the ferry companies and we have no control over their frequent timetable changes. We try our best to stay up-to-date with the timetables, but it isn't always possible to keep up. Sorry!

- Ferry timetables change often, so always check the ferry websites before you travel:
